

# FOREST LODGE COMMUNITY PRIMARY SCHOOL

*'A unique family working together to be the best'*

## What is the PE and Sports Premium?

The government provides additional funding for maintained schools and academies to invest in quality PE and sport. Each school receives £8,000 plus an extra £5 per pupil each year for the next two years

Our goal for the funding over this last year has been to enhance the sports provision for children in school by allowing them to access as many different sporting opportunities as possible. This will help us to continue to build upon what is already established and create a sporting legacy for the school.

Total number of pupils aged 5-11 on roll for the January 2016 census funded by Sports Premium	400 approx (Years 1-6)
Amount of funding received -	£9,887.00
<b>Summary of Sports Premium spending 2016/2017 Objectives:</b>	
<ul style="list-style-type: none"> <li>• To maintain and increase the % of pupils achieving 2 hours of quality PE and Sport teaching/coaching across the school</li> <li>• To maintain/increase the range of sports and physical activities accessible to pupils across the school in curriculum time and extra-curricular time</li> <li>• To further increase the % of pupils attending extra -curricular clubs in physical activity and sport</li> <li>• To further increase the % of pupils taking part in competitive sport</li> <li>• To further develop staff PE teaching/ coaching skills through focussed CPD to improve skill level of pupils in a range of physical activities and sports</li> <li>• To develop physical Literacy in all children</li> <li>• To ensure safe and sufficient equipment is available for PE sessions</li> <li>• To revamp our swimming curriculum, by extending our links with New Parks swimming club, and continuing to try and meet the National KS2 swimming expectations</li> <li>• Bringing in high quality and established sports organisations and continue to make links with local clubs</li> </ul>

(Access to at least 19 events and school competitions)

Total sports premium spending:	£10,270.27
--------------------------------	------------

### **Future plans for Sports Premium spending**

We are looking to continue to enhance our swimming curriculum, by extending our links with New Parks swimming club, and continuing to try and meet the National KS2 swimming expectations.

We are introducing Balanceability to Early years and Key Stage 1 to introduce the skills needed to ride a bike.

We will continue to subscribe to SSPAN and LCFC as well as pay for quality external coaches'. There will be more workshop days for the children and staff training to enhance quality first teaching. We will also continue to purchase practical equipment to enrich the children's learning in PE and create a sustainable PE provision, and that we have enough equipment for a full class of 30.

The aim is to make PE integrated into other areas of the curriculum by using the 'Go Noodle' programme in class and breakfast club to contribute to the two hours of PE we are trying to achieve.
