

Forest Lodge Academy

Assembly Provision and Planning (2018-2019)

Assemblies at Forest Lodge Academy take place each week in the form of whole school assemblies and phase assemblies. At the heart of each assembly is a SEAL/PSHE/ SMSC/British Values focus which act as a stimulus for related themes being addressed throughout school. In turn we also aim to address issues relevant to the pupils, local community, British Values and introduce children to a world view by referring to relevant events and significant occasions in assemblies.

During each assembly (first introduced in the whole school assembly on Monday mornings) we begin by considering 'statements to live by.' These are discussion points for the assembly and for further exploration of the theme to take place during work in classes. These statements relate directly to the SEAL/PSHE/SMSC themes the whole school is focused on during that half term. The statement is explained to the children, shared with parents through the web site and newsletters and discussed further in non-curriculum time.

Through phase assemblies held on Tuesday and Wednesdays each week (phase 1 consisting of Nursery, Foundation 2, Year 1 and Year 2) and phase 2 consisting of Year 3, Year 4, Year 5 and Year 6) we focus on specific themes identified which are further addressed during PSHE/ British Values lessons in class. This co-ordinated approach ensures not only a greater understanding of each focus area but the ability to make progression in PSHE, SMSC and British Values, building on prior learning and allowing children to explore each topic in greater depth.
