## Timetable for applying for a secondary school place

The timetable for applying for a secondary school place for the Autumn Term of 2016 is as follows:

<b>1 September 2015:</b>	Parents receive letter advising how and when to apply
<b>1 September 2015:</b>	On-line application process begins
<b>31 October 2015:</b>	<b>Closing date for applications.</b> Applications received after this date will be treated as late
<b>1 March 2016:</b>	National offer day for on time applications
<b>May to July 2016:</b>	Appeals against a refusal of a place are held during this period

### How to apply

You must make your application to the local authority where your child lives, even if you wish to apply for a school in another local authority. If you wish to apply for a Leicester city school but you don't live in the city, you must apply through your own local authority (the authority you pay your Council Tax to).

### You must apply online at [leicester.gov.uk/admissions](http://leicester.gov.uk/admissions)

There are lots of advantages to applying online:

- You can apply any time up to midnight on **31 October 2015**
- It is easy, quick, safe and secure
- There are clear simple prompts to guide you through the process
- You will receive an email to say we have received your application
- You can make changes to your application right up to midnight before you submit it on 31 October 2015
- You will receive your decision straightaway on national offer day, rather than having to wait for a letter
- If you don't have an email account, you'll need to set one up. For help with doing this, go to [learnmyway.com/get-started/email](http://learnmyway.com/get-started/email) and follow the instructions.

If you don't have access to a computer or the internet, you can use one at any of the libraries or at the Customer Services Centre on Granby Street, where access is free and staff will be on hand to help you.

## Where to get help

## Choice Advice Service

The Choice Advice service offers impartial guidance, support and information to parents choosing a school for their child in Leicester. The Choice Adviser cannot guarantee school places or influence the secondary allocation process. They will guide you through the admission process but will not make decisions on your behalf. The Choice Adviser runs help sessions set out on the next page (p5). **You are welcome to attend any.**

## Things to consider before submitting your application

You can apply for all three schools and we strongly advise you to use all your preferences. You can also ask to be considered for a place at your catchment area school if we are unable to meet any of your preferences to maximise your chances of being offered a local school. To help you decide which schools you want to apply for you should:

- Find out about your catchment area school and visit. You can find out which is your catchment school by visiting the website: [leicester.gov.uk/admissions](http://leicester.gov.uk/admissions).
- Read the oversubscription criteria for the schools you are considering (on pages 16 to 41) to assess your chances of being offered a place. The criteria are used to determine which children will be allocated places at a school if there are more applications than places available.
- Consider how popular the school is and your child's chances of getting a place there. Look at the information for individual schools (starting on page 16).
- Look at other sources of information such as the school performance tables at [education.gov.uk/performance-tables](http://education.gov.uk/performance-tables) or recent school inspection reports at [ofsted.gov.uk](http://ofsted.gov.uk).
- Visit your preferred schools. A list of their open days are on page 43
- Consider how your child will get to your preferred schools and whether there any transport issues which may arise.

This information can help you to identify realistic preferences.

### Catchment area school

All addresses in the city are located within the catchment area of a community school. In the past most children whose parents applied on time for their catchment area school were offered a place. This is because children living in the catchment area have a relatively high priority within the oversubscription criteria. However you must either list your catchment area school as one of your three preferences. Where you do not include the catchment school as one of your preferences then the catchment school will be added to the application by the Admissions Authority as an additional preference. This arrangement does not prevent you from adding the catchment school as a preference. You will be able to opt out of this arrangement by requesting to do so.

## Applying for your preferred schools

Please ensure you submit your application by **31 October 2015**. Applications received after this date will be treated as late and you are less likely to be offered a place at your preferred schools. This is because on time applications are considered before late applications and consequently schools may be full before late applications are considered. You should keep a copy of your online receipt.

Please remember to include details of any siblings at your preferred schools as this information can affect your child's chance of being offered a place. A list of those who are classed as siblings is on page 11.

### Changing your application information

If you wish to make changes to your application, your new application will only be considered as on time if you submit it by the closing date of **31 October 2015**. If you change your preferences after the closing date, they will be dealt with as a late application which may reduce your chances of getting a place at your preferred schools, as a change made after that date will only be accepted as being on time if there is a genuine reason for doing so - for example where a family has moved into Leicester after the closing date. Proof of this will be required.

### Moving house

If your family is in the process of moving house you must still apply by the closing date - **31 October 2015**, giving your child's current address (at the time of application) in order for your application to be considered. If you have not yet moved to Leicester, you must apply via your home local authority by **31 October 2015**.

If you move before the national offer date of **1 March 2016**, you must inform us and send evidence of your new address so that we can make sure that your allocation is correct. If you change address and your new address benefits your application, we may ask to see proof to show that you are a genuine resident. We need this information to prevent places being gained by fraud.

We need to see the end of tenancy or proof of sale of the original property and tenancy agreement for the new property or proof of purchase for the new property; for example a solicitor's letter confirming exchange of contracts. If this information is insufficient or inconclusive, we may request further information.

If you move into the city and cannot show proof as above, the residency will be calculated using the furthest point to the city boundary from the school applied for.

We cannot accept informal accommodation arrangements with family or friends unless there are very special circumstances and we will need to see supporting proof.

We have the right to withdraw the offer of a school place up to one term after admission, if it is shown that it was obtained on the basis of a fraudulent or misleading application.

## Who decides who is offered places?

Offers of places at all Leicester City schools are made by the City Council's Admissions Service. However, decisions about who qualifies for a place at schools depends on the type of school, but all schools must apply their published admission arrangements.

### Community schools

Community schools all follow the local authority's admissions criteria (set out on page 10). Please note, the Lancaster School only admits boys and Sir Jonathan North Community College only admits girls.

### Voluntary aided, trust schools and the Samworth Enterprise Academy

The governing bodies of the following schools are the admission authorities for their schools and they set and publish their own admissions criteria and decide which children to allocate places to.

#### Academies:

- The Samworth Enterprise Academy. This school educates children from 4 to 16 and children already on roll at the academy do not need to submit an application to transfer to the secondary school.

#### Voluntary Aided (VA) Schools:

- English Martyrs Catholic School
- Madani Boys School
- Madani Girls School
- St Paul's Catholic School

#### Trust Schools:

- Babington Community College
- Fullhurst Community College
- New College Leicester

If you are applying for any of the voluntary aided schools, academies or trust schools, you must complete the school's own supplementary information form as well as applying to Leicester City Council. You must return the supplementary form directly to the school by the closing date of 31 October 2015 to enable the governing body to assess your application correctly. The supplementary information form is not an application form, but it is an important part of the process. You can obtain copies of supplementary information forms from our website or the schools themselves.

## How we process your application

We treat each of your preferences as a separate application, regardless of the order you have listed them.

### Community schools

Each school has a published admissions number (PAN). This is the number of pupils who can be admitted to the intake year. If schools receive more applications than they have places available, we use the published oversubscription criteria to decide who will be offered a place. Places are allocated to those who best meet the oversubscription criteria.

### Voluntary aided schools, academies and trust schools

If you have listed a voluntary aided school, academy or trust school we send your application details to the relevant school as the school governors decide who should be offered places. If a school receives more applications than they have places available, the governors will use their oversubscription criteria to decide how to allocate places.

If you have applied for a school outside Leicester we will send your application to the local authority in which the school is located. The other local authority will then tell us if they can allocate your child a place.

When we send your application details to the other schools or local authorities we do not send them information relating to any of your other preferences including how you have ranked them.

### Only one offer of a school place for each child

If your child qualifies for a place at more than one of the schools you have asked for, we will look at how you ranked your preferences (i.e. first, second and third) and offer the highest preference school at which your child has qualified for a place.

Lower preferences will be withdrawn.

If your child qualifies for a place at only one of the schools on your list, we will offer a place at that school.

It is important that you list three, different, preferences. If we are not able to offer you one of your preferred schools, we will consider you for a place at your catchment school if you have not opted out of this. If we cannot allocate a place at your catchment school, or you have opted out of this, we will offer you a place at the nearest school with places available.

## Oversubscription criteria

### Community and trust secondary schools

The three trust schools follow the same oversubscription criteria as community schools.

Where a school receives fewer preferences than there are places available all pupils will be offered places. Where a school receives more applications than there are places available, the following oversubscription criteria will apply. Places will be allocated to pupils who have a statement of special educational needs or an Education, Health and Care (EHC) Plan which names the school before any other allocations are made. These allocations will reduce the number of places available

---

**Criterion 1:** Children in the care of a local authority or who were previously in the care of a local authority.

---

**Criterion 2:** Children who are on the “list of children subject to child protection plans” and need to attend an alternative school to avoid the abuser.

---

**Criterion 3:** Children whose home address is in the catchment area served by the school who will have a sibling at the school in Years 8, 9 or 10 at the time of application and admission.

---

**Criterion 4:** Children whose home address is in the catchment area served by the school at the time of application and admission.

---

**Criterion 5:** Children whose home address is outside the catchment area served by the school who will have a sibling at the school in Years 8, 9 or 10 at the time of application and admission.

---

**Criterion 6:** Children of parents/carers who are fleeing domestic violence subject to verification by a senior social worker or current City Council procedures for housing reallocation in cases of recognised domestic violence.

---

**Criterion 7:** Other children whose parents have requested a place.

---

**Criterion 8:** Children whose parents did not request a place by the closing date.

---

Within each criterion priority will be given to children living closest to the school, as measured on a straight line basis using a geographical information system measuring from the Geo-code reference point from the child’s home address to the Geo-code reference point for the school.

A **looked after** child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services function at the time of making an application to the school. A “previously looked after” child is a child who was looked after but ceased to be because they were adopted or became subject to a residence order or special guardianship order.

**Sibling** means a brother or sister, half brother or sister, adopted brother or sister or child of the parent/carer’s partner. In every case, the child must be living in the same family unit at the same address.

In the case of twins, triplet or other children of multiple births, if the final place is offered to one child, and the remaining sibling(s) would ordinarily be refused, places will be offered to the remaining sibling(s).

**Home address** means the child’s permanent home address at the time of application. In the case of split households, it is the address of the person who receives the Child Benefit. At the time of application means the closing date for applications **31 October 2015**. Informal accommodation arrangements with family and friends are not accepted unless there are very special circumstances and supporting proof is required. An address used for child care arrangements cannot be used as the home address for the purpose of applying for a school place.

### Voluntary aided schools and academies

These are likely to be different from the criteria set out above. Please check the schools pages on 16 to 41 for criteria for your preferred schools.

## Offering you a school place for your child

You will receive only one offer of a school place for each child. If your child qualifies for a place at more than one of the schools you have asked for, we will look at how you ranked your preferences (i.e. first, second and third) and offer the highest preference school at which your child has qualified for a place. Lower preferences will be withdrawn.

If your child qualifies for a place at only one of the schools on your list, we will offer a place at that school.

There are unfortunately a small number of children who cannot be offered a place at any of the schools they have listed. This is because the places were allocated to other children who fulfilled the admission criteria better.

### Example of how the preference system works

First preference school	Child did not qualify	School place refused. Applicant can appeal. Child's name can be added to the waiting list if you request it
Second preference school	Child did qualify	School place offered
Third preference school	Child did qualify	Child did qualify Preference is no longer required so application is withdrawn

As can be seen from this example it is important you list the three schools you want in order of preference.

### Alternative offers

If you live in Leicester and we have not been able to allocate your child a place at any of your preferred schools, or if you have not submitted an application, we will offer your child a place at the nearest school with available places.

If you do not live in Leicester and we have not been able to allocate your child a place at any of your preferred city schools, we will not offer your child a place at any school. You will need to contact the local authority where you live as it is their responsibility to provide you with a school place.

### Letting you know your child's offer

If you are a Leicester City resident, you will be notified which school we have offered your child a place at by email on **1 March 2016**. We will confirm your offer by letter by second class post.

## What can you do if you do not get the school place you want?

### Waiting list

If we are unable to offer you one or more of your preferred community schools you can ask for your child's name to be put on a waiting list. We hold and maintain the waiting list for the city's community schools. Voluntary aided schools, academies and trust schools hold their own lists and you should contact them directly if you have any queries relating to their waiting lists.

Waiting lists are compiled in oversubscription criteria order. If a place becomes available at a school it will be offered to the first child on the waiting list. We are not allowed to distinguish between on time and late applications when compiling waiting lists so a child can move down as well as up the waiting list, for example, if a child who meets the published admission criteria better than your child requests to go on to the list.

We will contact you if your child is at the top of a waiting list and a place becomes available. You can also contact us to take your child's name off a waiting list should you wish to.

Waiting lists for community schools are held until the end of the school year. We will then ask you to confirm in writing whether you wish your child's name to remain on the waiting list for the following year. Voluntary aided, academies and trust schools may have different timetables for maintaining waiting lists.

### Admission appeals

We understand that it can be very disappointing if you are not allocated a place for your child at your preferred school. You have the right to appeal against the decision not to offer your child a place at any of the schools you were refused. If you are refused any of your preferences we will send you information about how to appeal when we let you know your school offer on **1 March 2016**. Appeals are heard by panels independent of the local authority and schools.

You may appeal for a place at more than one school but you must have applied for a place at the school and been refused to be eligible to appeal. If we have withdrawn any of your preferences because we were able to offer you a higher preference school you will not be able to appeal for a place at any of those schools withdrawn by us.

Even if you are not satisfied with the school we have offered you and you are appealing for another school we strongly advise you not to reject the place offered to your child. This ensures that your child has a school place if the appeal is unsuccessful.

Decisions by independent appeals panels are binding on all parties and cannot be overturned by schools, council officers, councillors or MPs.

## Moving into Leicester during the school year

If you are moving, or have recently moved into Leicester during the school year, you should complete an on-line, in year application at [leicester.gov.uk/admissions](http://leicester.gov.uk/admissions)

If you are applying for places for more than one child of secondary school age, every effort will be made to keep siblings together, but we cannot guarantee this. You must make separate applications for each child, please include details of siblings on each application.

## Transfer between secondary schools during the school year

Once your child has joined a secondary school a transfer to another school is not recommended. Changing school is likely to have a negative effect on the continuity of your child's education, their needs will not be known by the new school and you and your child will have to form new relationships with staff and pupils. We strongly advise you to work with your child's current school to resolve any difficulties. Your child's school will have access to support services to help you and your child.

If, after working with your child's current school, you still wish to consider moving your child you will be asked to complete a form and return it to your child's current school for them to complete and return to us.

## Fair Access Protocol

All secondary schools in Leicester participate in the City's Fair Access Protocol. This is to secure places during the school year for vulnerable groups of pupils who are without a school place. These pupils will be admitted before any pupils on the waiting list.

## Children with Special Educational Needs

All schools make provision to support children who have special educational needs (SEN). Some children have a Statement of SEN or an Education, Health and Care Plan (EHCP) and may attend either a mainstream school or a special school. If your child has a Statement of SEN or EHC Plan, before indicating your preference for a school place, please discuss the position with either the Casework Officer on 0116 454 2050 or the Parent Partnership Service on 0116 257 5027. Please note that you should still apply to us for a school place before **31 October 2015**.

## Home to school transport

### Is my child eligible for free transport?

Pupils aged 11 to 16 years old may be eligible for free home to school travel support under these circumstances:

- they attend their nearest suitable school and the walking distance is greater than three miles; **or**
- they attend one of the three nearest suitable schools and the walking distance is greater than two miles, and they are eligible for free school meals or their family is in receipt of the maximum level of working tax credits.

### Voluntary aided faith schools

For children aged 11-16 years old who are attending faith based schools on genuine denominational grounds, free transport may be available if the child is eligible for free school meals, or the family is in receipt of the maximum level of working tax credits.

The child must attend the nearest appropriate school based on a religious belief, and the walking distance must be greater than two miles but less than 15 miles.

### How do I apply?

Visit [www.leicester.gov.uk/schooltransport](http://www.leicester.gov.uk/schooltransport) if you think you are eligible and want to apply for free transport.

## Free School Meals

The Education and Children's Services Department can help you claim free school meals. You could be eligible if you receive one of the following benefits:

- **Child Tax Credit**, if your gross family income is less than £16,190 in total each year. However, please note that if you are also entitled to Working Tax Credit you do not qualify for Free School Meals.
- **Income Support**
- **Income-based Jobseekers Allowance**
- **Income-related Employment and Support Allowance**
- **National Asylum Seeker Support** under part VI of the Immigration and Asylum Act 1999
- **A guarantee element of State Pension Credit**

If you think you meet any of the above criteria you can:

- Apply online at [www.leicester.gov.uk/freeschoolmeals](http://www.leicester.gov.uk/freeschoolmeals)
- Call 0116 454 1009 (option 3) and apply over the telephone. Please ensure that you have your National Insurance number available when you ring.
- Ask your school or any of the Council's Customer Service Centres for an application form.

### Sixth Form Arrangements

#### Entry Criteria

English Martyrs' School Sixth Form offers Catholic Comprehensive education at Years 12 and 13. The Planned Admission Number (PAN) for each year is 120. Information, guidance and advice will be offered to all students in Year 11.

The School invites applications into Year 12 from students who have not previously studied at English Martyrs', and provides Information Advice and Guidance during Year 11.

Offers will be dependent on the student achieving the following minimum entry qualifications:

- For Level 3 courses students will be expected to have achieved at least 5 A\*-C grades in GCSE (or hold the equivalent point score from other qualifications. These qualifications should be in different subjects)
- For Level 2 courses students will be expected to have achieved at least 2 C grades in GCSE (or hold the equivalent point score from other qualifications).
- Students studying level 3 in Science and Mathematics courses will be required to have achieved a minimum of Grade B at GCSE in those subjects.
- Students studying Psychology will be required to have achieved a minimum of Grade B at GCSE Science.
- All students are expected to respect the School's ethos and take part in the Religious Education Programme
- All students are expected to be committed to a rigorous study programme

Students are advised where possible to commit to a two year study programme, providing their choice is appropriate to their abilities and career intentions.

#### Oversubscription for Sixth Form

The planned admission number for the Sixth Form is 120 in Year 12 and 120 in Year 13.

If there are more applications than there are places, the governors will operate the oversubscription criteria above.

### Sixth Form Arrangements

#### Entry Criteria

Applications should be made using the LeCap on line application form and the school's supplementary form where appropriate. Requests for admission will be considered according to the following order of priorities:

- a) young people currently students at St. Paul's
- b) baptised Catholics resident in the parishes served by the school
- c) young people from other Christian traditions and other faith traditions who are seeking a spiritual dimension for their education.
- d) other young people where places remain available

The admissions limit for entry to year 12 will be 120.

In all cases places will only be offered where the applicant has the relevant qualification for the course of study on offer.

A separate Sixth Form prospectus is available in which detail of all courses can be found.

This is also available on the 'Coursefinder' website.

### Sixth Form Arrangements

We hold Open Evenings in November Sixth Form for prospective students and their parents/carers, details for which will be posted on the school's website.

For information to join in the Sixth Form please contact: Mrs R Wales on 0116 241 3984 or e mail: [rwales@cityleicester.leicester.sch.uk](mailto:rwales@cityleicester.leicester.sch.uk)

### Admission Requirements and Criteria

The Sixth Form Admissions limit is 380 although some flexibility exists if space is available in appropriate Programmes of Study.

As a result of this limit, our projected intake into year 12 each year will be 230 of which 60% are likely to be students who are currently studying at The City of Leicester College in Year 11.

Our policy will be to guarantee an interview to all students who apply before our 1st February deadline.

Our criteria for making an offer will then be based on:

- 1) Predicted to achieve the minimum course requirements (see course requirements)
- 2) Meeting the minimum attendance requirement of 90%
- 3) Receiving a positive, supportive reference
- 4) Performance at interview

A grade will be awarded for each criteria based on a 1-10 grading (10 being the best).

If the Sixth Form is oversubscribed, or a course becomes oversubscribed, we will base selection on the following selection criteria:

- 1) Children in Public Care (Looked After children)
- 2) Students who have been studying at The City Of Leicester College in Year 11
- 3) Their interview performance

Our admissions procedure follow the Admissions Code laid out by the DfE (Department for Education) December 2014.

## The Samworth Enterprise Academy (continued)

### Oversubscription Admission Criteria

The Samworth Enterprise Academy is an all through City Academy taking children from the primary to the secondary stage (aged 3 to 16). The Year 6 pupils at the Academy will automatically go forward into Year 7 and an additional 60 Year 7 places will be allocated in accordance with the following oversubscription criteria in order of priority:

- Children in the care of, or previously in the care of a local authority
- Children with a professionally supported medical or social need who live in the Designated Geographical Area (DGA)
- Children of parents living in the DGA
- Children on the basis of proximity to the school using straight line measurement from the main entrance of the Samworth Enterprise Academy to the main entrance of the child's home.

Criteria d) will act as a tie break in the event of the admission number being reached through criteria a) to c)

### Definition

The following definition applies to the oversubscription criteria:

'Living' means that the child's home address is that where the child spends the majority of time and is living with the person who has parental responsibility and/or is the main carer.
